Sofás relax y reclinables

Modulares

Poltronas

Sofás

Butacas

Nuestros muebles están disponibles al mejor precio y son fabricados con los mejores materiales del mercado.

## Cuero Vacuno

Durabilidad y confort

Puedes elegir el color y el tipo de cuero que prefieras entre más de 30 exclusivas opciones disponibles.

## Espuma de poliuretano en los asientos

Material sostenible de alta densidad, diseñado para ofrecer gran durabilidad, comodidad y resistencia.

## Látex y plumón en los respaldos superiores

Confeccionados con una combinación de látex y plumón, los respaldos superiores ofrecen máxima durabilidad y un confort excepcional, brindando soporte ergonómico y suavidad en cada uso.

## Madera

En nuestros muebles utilizamos dos tipos de madera; seike y plywood.

La madera de seike, es la más resistente a la polilla; y la colocamos en los lugares de mayor presión.

Los tableros de Plywood son inmunizados contra la acción de todo tipo de insectos y hongos.
